SINGLE MALT WHISKEY

**SMALL LOT SERIES**

**A TESTAMENT TO OUR PASSION,  
PATIENCE AND PIONEERING SPIRIT**

Our small lot series allows us to continue our spirit of experimentation by applying our hard-won house style to products with a specific focus. This single malt whiskey is in a league of its own.

**PRODUCTION:**

We've been quietly laying down a barrel of single malt each quarter over the last 7 years. This scarce grain-to-glass release was artfully blended from 27 barrels with a variety of different malt styles.

**TASTING NOTES:**

Lighter Malts bring traditional single malt notes and the inclusion of some fun darker chocolate and caramel malts provide a rich, robust palate.
